**Mercurial Matters. Substances as Resources using the Example of Mercury as a Therapeutic Agent in South Indian Medicine . . . . . 369**

## RESSOURCENKULTUREN 13

# EXPLORING RESOURCES

This book presents case studies, which apply the extended conceptualization of resources as means to construct, sustain and alter social relations, units and identities within the SFB 1070 RESOURCECULTURES. The contributions cover the topics of cross sectional working groups and conferences that shaped the interdisciplinary collaboration on cultural, spatial and temporal dimensions of resources and RESOURCECULTURES.
